

The Bel-Air Neighborhood was chosen for the ABQ NeighborWoods Tree Planting Grant by Councilor Fiebelkorn!

100 Free Street Trees Planted, Plus 100 Free Young Giveaway Trees

Free Street Tree Planting

Holes are dug, trees are planted, and mulch is provided at no cost to homeowner. Available species include desert willows, ash and maple varieties, pines and more!

Community Benefit

Street trees must be planted somewhere within 20 feet of the street. Final tree type and placement will be approved by landscape professionals.

Homeowner Responsibility

Homeowners must sign an official city agreement, committing to care for and water trees. Water Authority 'TreeBates' are applied!

Planting Event Date: September 28th, 2024

Interested in a tree or in volunteering?

We are looking for neighborhood leaders willing to help us organize, canvass, and find tree adopters. Please contact Tree New Mexico if you can assist or if you'd like to be a tree adopter.
